Core Tenets

We strive for sustainable, inspiring, innovative transformation of systems, services, and care.
 We strive to promote health equity for children in BC.
 We support Jordan’s Principle and the Truth & Reconciliation Commission recommendations.
 Evidence, evaluation, continuous quality improvement & engagement with research are embedded in our efforts.
 Children, youth, families, community are our critical partners. Culture is important to us.
 The Tiers of Service approach is a core tool in our work.
 The impact of our work is province wide.
