

APRIL 6TH, 2023 / 1-2pm PST

Pediatric Primary Care Virtual Education Series:

GENDER AFFIRMING CARE IN CHILDREN AND ADOLESCENTS

Who is the session for?

This session is for healthcare teams across BC who work in primary care.

What will be covered in the session?

- Define gender affirming care for children/youth
- De-bunk myths related to gender diversity
- Understand gender development and the importance of screening for gender health needs
- Review evidence-based interventions for gender-diverse children and adolescents
- An opportunity to ask questions

When is the session?

This virtual education session will be held on Thursday, Apr 6, 2023 from 1:00 – 2:00PM PST. It will consist of a 45 minute presentation followed by an opportunity to ask questions. The session will be recorded.

How do I join the session?

No registration is required. We recommend that you join using a computer or tablet. The link to join is below. Consider using your headset or earphones. Please sign in 10 minutes before the session to address any issues you may have with joining.
