

SEPTEMBER 29, 2022 / 12-1pm PST

Provincial Pediatric Mental Health Education Webinar Series:
**ENGAGEMENT AND RELATIONSHIP BUILDING
WITH CHILDREN, YOUTH AND FAMILIES
PRESENTING WITH MENTAL HEALTH
CONCERNS**

Who is the session for?

Health care providers working in hospitals (emergency department, general and pediatric inpatient units) across BC. However, the sessions are open to all health care providers regardless of place of work.

What will you learn in the session?

Participants will:

- Build on current skills to engage and build rapport with children and youth with mental health conditions
- Recognize/Understand the importance of engaging with family/caregiver as active participants in child/youth's care
- Review confidentiality and consent practices as it applies to children, youth and their families

It will consist of a short presentation, followed by case based discussion and question period. The session will be recorded for later viewing.

How do I join the session?

No registration is required. We recommend that you join using a computer, tablet or smartphone. Join the virtual training session by clicking on the link below.
