“A child’s health, development & future is everyone’s business”

**Strategic Partners**

Academic (research & learning) Partners
Children, youth & their families

**Core Tenets**

We strive for sustainable, inspiring, innovative transformation of systems, services, and care.
We strive to promote health equity for children in BC.
We support Jordan’s Principle and the Truth & Reconciliation Commission recommendations.
Evidence, evaluation, continuous quality improvement & engagement with research are embedded in our efforts.
Children, youth, families, community are our critical partners. Culture is important to us.
The Tiers of Service approach is a core tool in our work.
The impact of our work is province wide.
