

A special joint NCCL-PCCL webinar
in collaboration with NICU

A Work of Heart - when a newborn has more than meets the eye

July 17 at 1 PM.

Learning Objectives:

- Identify the signs & symptoms of congenital heart disease in the neonatal period.
- Identify when a child requiring respiratory support may require echocardiography.
- Discuss the stabilization & management of neonates congenital heart disease in the community before transfer to a major tertiary care centre.

- ABOUT THE PCCL SESSIONS -

WHEN: 3rd Friday of every month
1:00 to 2:00 pm via Zoom

WHAT: A de-identified case presented by providers from a range of communities across BC

HOW: The PICU team at BCCH facilitate the interactive discussion
